Sponsorship Opportunities

Sponsorship is invited for the 11th International conference on the Transport, Storage and Disposal of Radioactive Materials from manufacturers, operators, suppliers and organisations that would benefit from having an enhanced profile by being involved with this conference.

This event will raise awareness and profile products or services to a defined audience of specialists involved in the implementation and development of supply chain opportunities and/or policy-making. The event will be promoted across the nuclear and related communities through advertising, news articles, digital media and direct mail.

Sponsors Overview

There are several key sponsorship opportunities both in support of the event as a whole and also in relation to individual elements of the event and social programme.

The earlier an organisation commits to sponsorship, the sooner they can experience the promotional benefits. Sponsorship packages will be offered on a 'first come, first served' basis. Exhibition booth position will be allocated according to level of sponsorship.

SPONSORSHIP STRUCTURE	Prices quoted exc. VAT
Platinum Sponsor (Exclusive package)	£6,600
Gold Sponsor (max. 3)	£4,750
Silver Sponsor (max. 3)	£3,500
