

Intelligent Venues is the NI hotel reservation provider for this conference.

Some specially discounted rates at a few neighbouring hotels have been secured, which can be booked directly using a unique reference number, listed at the bottom of page of each option.

The rates are only available to be booked for a limited time – each hotel details this specific date in its description. Any booked after this advertised date cannot be guaranteed at the negotiated rates below, and rooms are limited in each venue, so early booking is recommended.

Extra nights may be available at the agreed rates also (subject to availability), ask for information on booking. All hotels are located close to RIBA and within walking distance of the opening drinks reception, sponsored by ARUP.

If you have any difficulty booking the rooms, then please contact: reservations@intelligent-venues.com
